Dear Mr. Artz:

Re: Invention Disclosure: 199-0438

Title: ANTI-ROLLOVER STABILITY CONTROL

The subject disclosure is enclosed for processing. Please forward your quote, and proceed to prepare a patent application based on the above invention disclosure according to Ford Global Technology procedures. The disclosure has been evaluated for filing and therefore it is not necessary to prepare a pre-application memorandum.

All billing statements for work relating to the filing and prosecution of this patent application must reference: Ford Global Technologies, Inc., Account Number K81-CR003P.

All fees paid to the U.S. Patent Office for this case should be charged against Deposit Account 06-1510.

The FGTL lawyer responsible for this application is **Gregory P. Brown 313-248-1367**. All communications regarding the application should be directed to the responsible attorney and reference the above disclosure number. According to our procedures, **this application must be received in our office by August 23, 1999.**

Very truly yours,

Maria J. Leos
Administrative Assistant
